AVAILABLE COURSES

Academic Game Plan Certification 

There are two major components in achieving student success—academic foundation and academic discipline. Gaining an academic foundation through tutoring leads to student confidence in the classroom. Academic discipline requires the student to apply skills such as organization, time management, and prioritization.

The Academic Game Plan is designed to help students learn academic discipline in conjunction with their academic foundations. This certification course is designed to help you guide your students through the game plan and ultimately improve their discipline.

1. Once you have logged onto the website you will be able to access all courses available.
2. Simply click on the course which you are interested in and enter the enrollment key provided by your Tutor Doctor Franchise.

Certificates:

1. After you have finished a course, you will be given access to the certificate.
2. Please print out the certificate (or email the PDF) to show your local Tutor Doctor office you have completed it.
