Within Word Pattern Spellers

Word Sort Notebook

Created By  
Teacher's Breathing Space © 2016

# INSTRUCTIONS:

## Choose a Notebook Cover Page

You'll find both full-page and half-page notebook covers. Students will color their cover, cut it out on the dotted line and glue onto the front of their notebook.

## Create Some Storage

Since your students will be completing each sort several times, they'll need somewhere to keep their cards until they are ready to glue them into their notebooks. I always like to glue or tape a small envelope onto the inside of the front cover and use it as a pocket. To make it even easier for your kiddos to keep track of their cards, use a snack-sized baggie to hold the cards and place the baggie into the envelope.

# SORTS 1-6:

## Option #1: Picture Sort

Glue the heading at the top of the page. Then, cut apart the picture cards included in the workbook (discarding the sorting cards) and glue under the appropriate letter.

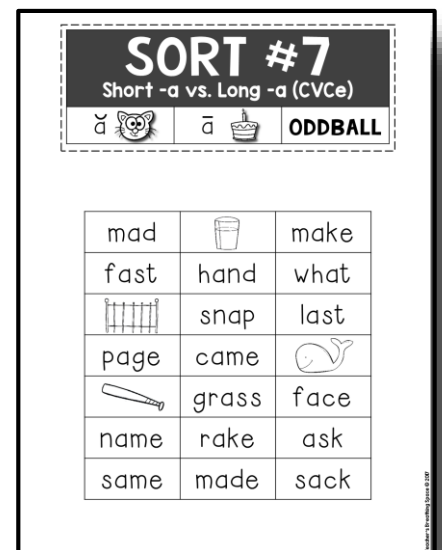

## Option #2: Word Sort

Glue the heading at the top of the page. Then, cut apart the word cards and glue under the appropriate letter.

# SORTS 7-10:

## Sorting Words & Pictures

Glue the heading at the top of the page. Then, sort both the words and pictures and glue underneath the appropriate heading.

# SORTS 11-50:

## Word Sort

Glue the heading at the top of the page. Then, cut apart the word cards and glue under the appropriate category.

**AND THAT'S IT!  
YOU ARE  
READY TO GET  
STARTED!**
